I successfully completed my Baccalaureate Degree in the Science Math A Track at Hassan 2 High School in Benslimane.

WORK EXPERIENCE

Co-founder criov

2022 - current

Criov

We carefully created "Criov" by focusing on design, marketing, and branding. Our dedication to crafting an appealing product that connects with the target audience allowed us to establish a strong market presence and achieve remarkable growth.

Brand design freelance

2019 - 2023

Kindle direct publishing Since 2019

I harness creativity to deliver compelling and tailored content, engaging readers and maximizing the impact of published works.

Merch by amazon 2020/2021

I leverage my creative skills to design and deliver captivating merchandise through Merch by Amazon, captivating customers and maximizing the appeal of the products.

Fiveer SINCE 2021

I cultivate strong customer relationships by deeply understanding their needs and providing tailored solutions.

Etsy shop store 2022/2023

I significantly improved listing rankings through optimized titles and product descriptions, achieving first and second-page visibility. By staying updated with trending keywords, I drove a remarkable surge in organic sales.

Brand Ambassador/Marketing Associate

4 months / 2019

Cash plus Company

I had the opportunity to engage in impactful public speaking and branding activities. I effectively communicated the company's key messages to diverse audiences, fostering positive relationships and driving brand awareness.
